Fredericktown Firefighters Respond to Truck Fire

FREDERICKTOWN – Members of the Fredericktown Community Fire District received a call shortly after 3pm on Monday on the report of a truck fire at 16395 North Liberty Road. Upon arriving on scene Fire Chief Scott Mast gave an initial report of a fully engulfed pickup truck fire. Firefighters responded quickly by dousing the fire with a hose line from the Rescue truck.

The 1993 Dodge pickup was owned by John Sparks of Mount Vernon who while driving the truck noticed flames coming from around the shifter on the floorboard of the vehicle. Mr. Sparks quickly pulled the vehicle from the roadway and escaped the vehicle uninjured. Firefighters were on the scene for a short period of time to verify that the fire was extinguished.
